## **FamilyID On-Line Sports Sign- Up Procedure**

Parents/Guardians:

Participation in all interscholastic sports offered through the Homer Jr-Sr High School Athletic Department, including cheerleading, requires on-line enrollment through FamilyID. We have partnered with FamilyID ([www.familyid.com](http://www.familyid.com)) to streamline the registration process and provide a convenient one stop location to sign up for sports.

FamilyID is a secure registration platform which provides you with an easy, user-friendly way to register for our athletic programs, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your basic demographic information for the entire family in your FamilyID profile. You will need to enter the basic information only once for each athlete, for multiple uses and multiple sports.

**BEFORE YOU REGISTER:** Sports Physical – must be current (within 12 months of the season start date), signed by a qualified physician and on file in the nurses’ office. It is your responsibility to provide the completed physical to the school nurse or upload into FamilyID. A physical must be valid and less than one year old.

**INFORMATION NEEDED TO REGISTER:** It will be helpful to have the following information handy to allow for accurate completion of your on-line registration:

- Sport Physical Information
- Pre-Participation Medical Health History
