

The Homer Education Foundation is partnering with the Dolly Parton's Imagination Library - a nonprofit organization that promotes early childhood literacy by giving free age-appropriate books to children from birth to five years old - open to everyone regardless of financial situation. If you choose to register, the first book will be mailed to you in about eight weeks, and from that point on, your child will receive one book per month until he/she reaches the age of five.

We are trying to reach out to our local families so that we can sign up as many children to this program as our funding will allow. If you are interested in signing up, please complete the form below.

Please print legibly.
