

Dear Parents,

This year we will be using Google Classroom instead of “Homework Hotline” or “H4.” You have received an email that asks if you’re a guardian. If you hit the “**ACCEPT**” button, it will allow you to receive emails about classwork and announcements from teachers.

You do not need a Gmail or Google Account to receive these emails.

The screenshot shows a Google Classroom invitation email. At the top, there is a dark grey header with the text "Google Classroom" in white. Below this, the main content is on a white background. It starts with the text "Your Child's Teacher invited you as a guardian in Google Classroom". Underneath, it says "You'll get a weekly summary of Mira's progress with missing and upcoming work, and new teacher posts." There is a profile card for "Your Child's Name" with a graduation cap icon and the email "homercentral.org". Below the profile card are two buttons: a blue "ACCEPT" button and a grey "I'M NOT THE GUARDIAN" button. At the bottom of the card, there is a small warning icon and the text "You don't need Gmail or a Google Account to accept." Below the card, there is a paragraph of text: "If you accept, your contact information will be shared with **Your child &** teachers and domain administrators, and applications they authorize for use with Classroom." followed by a blue link "Learn more".

What do the emails look like?

The image shows a screenshot of a Google Classroom email. At the top, there is a dark grey header with a person icon, the text "Google Classroom", and "Daily summary for Your Student" with "Your Student" in a dark grey box. Below this is the date "Aug 28, 2019".

The main content area is titled "Student work" and is divided into two sections:

- Missing from last week:** A white box contains the text "Google Classroom – due Aug 25", "See a picture", and "Use google drawings to make a picture". A green arrow points from a green callout box to this section. The callout box contains the text "Gives you missing work that was previously due".
- Due in the next few days:** A white box contains the text "Google Classroom – due Aug 30", "Let's write a story", and "Write a story and post a picture about your summer.". A yellow arrow points from a yellow callout box to this section. The callout box contains the text "Upcoming work that is due".

At the bottom of the email, there is a footer with the text "Don't see a class? Contact the teacher. They might not use Classroom or may not have turned c summaries." and "Forward to only those you trust. Anyone with this email may be able to adjust your settings." Below this are two buttons: "A" (blue) and "B" (purple). The text "SETTINGS" and "UNSUBSCRIBE" is visible between the buttons.
