Dear Parent/Guardian:

This letter is meant to provide you with advance notice of a new parking lot procedure that will begin on Monday, February 22, 2016.

In an effort to ensure a safe arrival area for students and staff, we will have a district employee stationed at the front entrance near the marquee from 7 a.m. until 8:45 a.m. each morning. He will have a stop sign and will be checking vehicles entering the lot. Only authorized Homer employees and vehicles will be allowed to enter the bus loop and parking lot areas during this time.

As has been previously stated, no unauthorized vehicles are to enter the front bus loop for any reason. All students being driven to school are to be dropped off in the parent parking lot area near the playground.

While we don't expect the need for this, we will be writing down license plate numbers of folks who do not follow our employee's direction or abide by this new procedure. This information will be communicated with our local police department for further action.

The main goal is, and always has been, to create a safe and accessible arrival area for students and staff. If you have any questions, please feel free to call 749-1230 for the Junior High office or 749-1240 for the Intermediate School office. Thank you for your anticipated cooperation.

Sincerely,

Thomas M. Turck
Junior High Principal

Intermediate Principal
